NOTE FOR: DCI
             DDCI

      o Bob Gates feels this has to be your call.

      o As arranged with Don Fortier, State, Lugar and Fascell, the Senate Foreign Relations Committee is being briefed today. Representatives Solarz and Bonker of the House Foreign Affairs Committee were briefed yesterday; the full HFAC gets briefed next Wednesday.

      o There are no HPSCI cross-over Members on the Energy and Commerce Committee; Hamilton and Hyde are on HFAC. State could try to have Solarz/Bonker or, less likely, Hamilton attend Markey's meeting.

      o The briefing given SFRC and HFAC is classified and sensitive; it does not include the most sensitive information.

      o Here, as Capt. Hook says in Peter Pan, the canker gnaws: we have information directly relevant to a difficult issue on which the Congress has to vote. There are two levels of sensitivity. Markey's meeting, he says, is Members-only.

      o Brief _____   Don't brief _____
